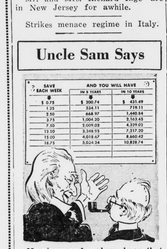
Uncle Sam Says



My nieces and nephews know that figures tell the truth when the figures deal with the results of systematic savings through the Payroll Savings Plan. Take a look at this chart. Circle the figure you need to achieve some goal for yourself or your family. Then move over to the column which tells you how much you need to save each week in U. S. Savings Bonds to attain your objective. The whole thing is as simple as adding one to three, because your Uncle Sam pays you an extra dollar for every $3 you put in Series E Savings Bonds when you hold the Bonds to maturity 10 years hence.

THIS OUR FATHERS BOUGHT FOR US

★ Kipling was speaking of precious human freedom when he wrote, "This our fathers bought for us long and long ago."

But courage and valor are not solely the virtues of brave fighting men in combat. It took no less courage for men like Pasteur, Lister, Koch, and hosts of others to struggle for scientific truth against cries of heresy from the ignorant and the superstitious. Inspired by the example of these great men, your physician battles the same foes today. At his side is the pharmacist, always eager to carry the fight to the enemy.

We invite you to visit our complete prescription department. We are prescription specialists.

Three-in-One Chair Invented for Triplets

Triplets present special problems to their proud, if occasionally bewildered, parents. For instance, David Cooper of Albany, N. Y., noticed that meal time meant a lot of running back and forth for Mrs. Cooper, as she had to tend three babies in three high chairs. After a little thought and some work in the basement, Cooper came up with this three-seater chair.

Local Team Divided Games

Lee Theatre split two baseball games over the past week-end, winning from Amherst 16 to 5, and losing to Bedford 9 to 5.

Harry Tucker was the leading hitter for Lee Theatre, getting four hits in each game. Joe Overman had four hits Saturday and two on Sunday. Vernell Mitchell had three hits Sunday. Loose play and poor pitching lost the game to Bedford.

Next Sunday Lee Theatre plays Big Island here at 3:15. Big Island now leads the league and appears to be one of the strongest teams among Skyline clubs.

This promises to be a good game and manager J. C. Cai will states that Gerald Tor ace, curve-ball pitcher, will throw for Lee Theatre.

Lee plays at Piney River Saturday.

FARMERS SHIP A LOT OF MILK!

Prior to 1945, dairying in the Appomattox area was limited for want of an organized market outlet for milk. With the establishment of a milk receiving station at Appomattox, however, orderly marketing became a reality and milk production began to increase, giving a good market for many tons of hay, silage and grain feed, as well as pasturage in the form of milk, to say nothing of a profitable market for available farm labor.

Between November 1, 1945, and October 31, 1946 - one year - 5,299,709 pounds of manufacturing milk and 5,068,033 pounds of cooler grade milk, a total of 10,467,742 pounds of milk, were marketed from the Appomattox area, providing a gross income of $402,535.06, most of which was non-existent in the area prior to the establishment of the Coble station at Appomattox in January, 1945. Reprint from Virginia State Dairymen's Ass'n. Bulletin.

Attend the Flow Show here Saturday.
